Dear Sarah Quider:

I am writing to you to give my support for changing your existing two-bedroom, one bath apartment into a nightly Airbnb, which is next door to 150 North Street, currently the business office of JOG Corporation. I feel that the city of Healdsburg needs more options for people visiting the town of Healdsburg; and because your place is zoned C/D and has a dedicated parking spot for this Airbnb, it is an appropriate place for this need.

I wish you success in your future endeavor.

Sincerely,

John Jordan,

Property Owner of 150 North Street, Healdsburg, CA
