APPROVAL OF AGENDA

On a motion by Commissioner Peacock, seconded by Commissioner Bangham, approved the August 9, 2018 special meeting agenda as submitted. The motion carried on a unanimous voice vote. (Ayes 5, Noes 0, Absent – None)

REGULAR CALENDAR – MILL DISTRICT DEVELOPMENT TRANSPORTATION IMPACTS

Public Works Director Zimmer introduced David Hill, from Replay Destinations who would be giving the presentation this evening.

David Hill, Replay Destinations provided background information on the Mill District project, existing conditions, the application in front of the Planning Commission, the opportunities and constraints of the site, and the Central Healdsburg Avenue Plan (CHAP) that provides framework for the project.

In response to the Commissioner's inquiries, Mr. Hill reviewed the plan for the streets, how cyclists would be incorporated, vehicular and bicycle parking throughout site, noted the size of the affordable housing site and the circulation plan for the Mill District site.

David Hill further reviewed various elements of the Mill District street design, landscaping elements, the curb-less design features, making cycling a priority in their design and planning for the future of the Sonoma Marin Area Rail Transit (SMART).

Public Works Director Zimmer noted the change in design on Healdsburg Avenue behind the parallel parking to add an additional four and half feet of buffer space for cyclists and reviewed the upcoming speed survey that may change the speed limits entering and exiting the roundabout.

Public Comment

Ted Calvert expressed his support for green bike lanes on Healdsburg Avenue near the roundabout.

Member of the Public stated the traffic light coming off of highway 101 has proved itself obsolete and opined on replacing the light with a stop sign.

Tim Unger opined on the approaches to the roundabout and inquired how many larger vehicles are having trouble navigating the roundabout.

Richard Burg reminded the commission about the SDAT on August 13-15, 2018 and expressed his support of sharo's.

Mark McMillan expressed his concern on the limited exits in the Mill District project, the placement of crosswalks and the connection across the railroad tracks to the depot.

In response to Commissioner Peacock's inquiry, Director Zimmer reviewed why reverse angle parking was rejected by staff.

ADJOURNMENT

There being no other Transportation Advisory Commission business to discuss, the meeting was adjourned at approximately **6:52 P.M.**
