The employee's request will be approved only if it can be reasonably accommodated. However, nothing herein shall result in the displacement or transfer of other employees in permanent positions or in the performance of unnecessary work.

Where it is the opinion of the department head that the employee should be placed on leave sooner than prescribed by her physician due to her inability to effectively and safely perform the duties of her regular position or of one to which she has been, or could otherwise be, temporarily transferred, the employee may be required to undergo examination by a second physician. The cost of this examination shall be paid by the City.

The City may require said individual to achieve a passing grade on the following pre-employment tests: psychological, medical, and polygraph tests which may be in use at the time.
