**By choosing to participate in the residential Electric Vehicle Discount Program, you agree to the following conditions and terms:**

- 1. The installation of a **TOU (Time of Use) meter** by the City's Utility Department and immediate application of an electric **TOU rate structure**.
- 2. The program is limited Healdsburg residential utility customers and to one (1) vehicle per service location.
- 3. The utility services must be in the program applicant's and registered owner's or leaser's name.
- 4. The discount is non-transferable. A change in ownership, location, or vehicle requires a new application.
- 5. A copy of the current DMV Vehicle Registration noting dates/period covered must be provided. Participants must notify the City of Healdsburg within 30 days if the qualifying vehicle is sold.
- 6. The Electric Vehicle Discount program is not an entitlement program.
- 7. Discounts will be offered only if appropriate resolutions are in effect, as may be modified from time to time, and applicants are deemed eligible.
- 8. Fraud and/or misrepresentation of facts for the purposes of qualifying for the Electric Vehicle Discount Program can result in discount disqualification and criminal prosecution to recover prior discounts provided.
- 9. Once the initial application is approved, a copy of the renewed vehicle registration is required each subsequent registration year to avoid a discount lapse. It is the applicant's responsibility to re-apply. Discounts will cease upon expiration of the current registration unless a copy of the renewed registration is received by the City in advance of expiration. Discounts are not retroactive.
- 10. Incomplete applications will be denied pending resubmission of a fully completed version.
- 11. The election to participate in the program is at the sole discretion of you, the customer. Any impact on billing remains the sole responsibility of you, the customer.

# Electric Vehicle Discount Terms and Conditions

*Providing Qualifying Residential Utility Customers with Discounted Electric Rates*

## Program Qualifications

- You have a current City of Healdsburg residential electric utility account in your name, and
- You have a current copy of the DMV registration for a Battery Electric Vehicle, and
- The vehicle is registered to the electric utility account holders name and service address.

## Discount Schedule:

In accordance with Resolution 2020-45, the Electric Vehicle Discount will adjust annually as follows:

June 2020	June 2021	June 2022	June 2023	June 2024	June 2025
\$ 25.00	\$ 22.50	\$ 20.25	\$ 18.23	\$ 16.40	0.00

For low-income qualified customers, the Electric Vehicle discount is as follows:

June 2020	June 2021	June 2022	June 2023	June 2024	June 2025
\$ 50.00	\$ 45.00	\$ 40.50	\$ 36.46	\$ 32.82	0.00

## Conditions for Participation:

- The program only applies to City of Healdsburg residential electric utility customers.
- The program is limited to one (1) vehicle per service location.
- The utility services must be in the program applicant's and registered owner's/leser's name.
- Discount benefits are non-transferrable and will NOT transfer to a new residence, when/if the applicant moves, or to a new vehicle. A new application is required in both instances.
- Current proof of the DMV Vehicle Registration must be provided which indicates the dates/period covered.
- Participants must notify the City of Healdsburg within 30 days if the qualifying vehicle is sold.
- The City of Healdsburg's Electric Vehicle Discount program is not an entitlement program.
- Discounts will be offered only if appropriate resolutions are in effect, as may be modified from time to time, and applicants are deemed eligible.
- Fraud and/or misrepresentation of facts for the purposes of qualifying for the Electric Vehicle Discount Program will result in disqualification of the discount and possible criminal prosecution to recover prior discounts provided.

## Program Terms:

- Once the initial application is approved, if the applicant is not already on a TOU (Time of Use) rate, **the customer will be switched to a TOU rate** and a new meter installed by the City's Utility Department. The time of use rate is required to encourage charging vehicles at night, avoiding higher cost peak-time energy prices. Additional information on the electric TOU rate structures can be found on the City's website at [www.ci.healdsburg.ca.us](http://www.ci.healdsburg.ca.us).
- The election to participate in the program is at the sole discretion of the customer and any impact on billing remains' the sole responsibility of the customer.
- A copy of the renewed vehicle registration is required each subsequent registration year to avoid a discount lapse. It is the applicant's responsibility to re-apply. Discounts will cease upon expiration of the current registration unless a copy of the renewed registration is received by the City's Utility department in advance of expiration. Discounts are not retroactive.
