Draft Contract

7. STANDARD OF PERFORMANCE

A. Consultant will perform the Services in the manner and according to the standards observed by a competent practitioner of the profession in which Consultant is engaged in the geographical area in which Consultant practices its profession and will prepare all work products required by this Agreement in accordance with those standards. City shall not control or direct the manner in which Consultant's services are to be performed. Consultant will comply with all federal, state and local laws and regulations applicable to performance of the Services, including, but not limited to, the California Building Code, the Americans with Disabilities Act, any copyright, patent or trademark law, and any air pollution control law(s) or regulation(s). Consultant's failure to comply with any law(s) or regulation(s) applicable to the performance of the work hereunder shall constitute a breach of contract.

B. Consultant shall assign only competent personnel to perform services pursuant to this agreement. In the event that City, in its sole discretion, at any time during the term of this Agreement, desires the reassignment of any such persons, Consultant shall, immediately upon receiving notice from the city of such desire of City, reassign such person or persons.

8. OTHER GOVERNMENTAL REGULATIONS

To the extent that this Agreement may be funded by fiscal assistance from another governmental entity, Consultant and any subcontractors shall comply with all applicable rules and regulations to which City is bound by the terms of such fiscal assistance program.

9. USE OF RECYCLED PRODUCTS

Consultant shall endeavor to prepare and submit all reports, written studies, and other printed material on recycled paper to the extent it is available at equal or less cost than virgin paper.

10. INDEMNITY

To the maximum extent permitted by law, Consultant shall, at its own expense, indemnify, defend with counsel acceptable to the City, (which acceptance will not be unreasonably withheld), and hold harmless City and its officers, officials, employees, agents and volunteers ("Indemnitees") from and against any and all liability, loss, damage, claims, suits, actions, arbitration proceedings, administrative proceedings, regulatory proceedings, civil penalties and fines, expenses and costs (including, without limitation, claims expenses, attorney's fees and costs and fees of litigation) (collectively, "Liability") of every nature, whether actual, alleged or threatened, arising out of or in connection with the Services or Consultant's failure to comply with any of the terms of this Agreement, regardless of any fault or alleged fault of the Indemnitees.

The Consultant's obligation to indemnify, defend and hold harmless under this provision shall not be excused because of the Consultant's inability to evaluate Liability, or because the Consultant evaluates Liability and determines that the Consultant is not or may not be liable. The Consultant

must respond within 30 calendar days to any tender for defense and indemnity by the City, unless the time for responding is extended by an authorized representative of the City in writing. If the Consultant fails to accept tender of defense and indemnity within 30 calendar days, in addition to any other remedies authorized by law, so much of the money due or that may become due the Consultant under this Agreement as shall reasonably be considered necessary by the City, may be retained by the City until disposition has been made of the matter subject to tender, or until the Consultant accepts the tender, whichever occurs first.

The Consultant waives any and all rights to express or implied indemnity against the Indemnitees concerning any Liability of the Consultant arising out of or in connection with the Services or Consultant's failure to comply with any of the terms of this Agreement.

Notwithstanding the foregoing, to the extent this Agreement is a "construction contract" as defined by California Civil Code § 2783, as may be amended from time to time, Consultant's duty to indemnify under this provision shall not apply when to do so would be prohibited by California Civil Code § 2782, as may be amended from time to time.

Notwithstanding the foregoing, to the extent that the Services include design professional services subject to Cal. Civil Code § 2782.8, as amended from time to time, Consultant's duty to indemnify shall only be to the maximum extent permitted by Civil Code § 2782.8.

In the event that Consultant or any employee, agent, or subconsultant of Consultant providing services under this Agreement is determined by a court of competent jurisdiction or the California Public Employees Retirement System (PERS) to be eligible for enrollment in PERS as an employee of City, Consultant shall indemnify, defend, and hold harmless City for the payment of any employee and/or employer contributions for PERS benefits on behalf of Consultant or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of City.

The defense and indemnification obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement.

Consultant/Subcontractor's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law.

11. INSURANCE

- a. All required insurance must be provided in the form of "occurrence"-type policies underwritten by admitted insurers in the State of California with a rating of A or better from the current year Best Rating Guide. All policies must be issued at the expense of the Consultant and must be maintained at the Consultant's expense throughout the performance of the Work. Consultant shall maintain insurance as required by this contract to the fullest amount allowed by law. The City may request a declaration page of the policy.
- b. The limits of the Commercial General Liability (including bodily injury, personal injury and property damage) insurance shall be:

\$5,000,000 per occurrence

If a general aggregate limit applies, either the general aggregate limit shall apply separately to this project/location or the general aggregate limit shall be twice the required occurrence limit.

- c. If the work to be performed involves vehicles or vehicular equipment, the Automobile insurance limit shall be:

\$2,000,000 per accident for bodily injury and property damage

Automobile coverage should be at least as broad as Insurance Services Automobile Liability form CA 0001 Code 1 (“any auto”). No endorsement may be attached limiting the coverage. Anything less than ‘any auto’ coverage must be approved by the Risk Manager prior to approval. If the Risk Manager accepts anything less than ‘any auto’, additional information such as schedule of covered autos or proof of personal auto liability coverage, may be required by the City.

- d. Worker’s Compensation Insurance. Proof of Workers Compensation and Employers Liability insurance as required by any applicable law, regulation or statute, including the provisions of Division IV of the Labor Code of the State of California, and any act or acts amending it. Worker's compensation insurance must be for Statutory Limits and must cover the full liability of the Consultant. The Consultant’s Employer’s Liability Insurance must be in an amount no less than \$1,000,000.00 per occurrence. The workers’ compensation policy must be endorsed with a waiver of subrogation. The insurance company, in its endorsement, must agree to waive all rights of subrogation against the City, its officers, officials, employees, agents and volunteers for losses paid under the terms of such policy.
- e. Umbrella/Excess Policy. The limits of insurance required under this Contract may be satisfied by a combination of primary and umbrella or excess Insurance. Any umbrella or excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and non-contributory basis for the benefit of City (if agreed to in a written contract or agreement) before the City’s own insurance or self-insurance shall be called upon to protect it as a named insured.
- f. If applicable, the Consultant, at its own cost and expense, must maintain for the period covered by this Agreement professional liability insurance in an amount not less than TWO MILLION DOLLARS (\$2,000,000) covering errors and omissions. Any deductible or self-insured retention under the required professional liability insurance may not exceed \$150,000 per claim.
- g. The City’s Risk Manager may increase or decrease the insurance requirements and limits set forth in those cases in which he/she determines that special circumstances justify such an increase or decrease.

- h. Both the General Liability and Auto endorsements must add the City, its officials, officers, employees, agents and volunteers as an additional insured ("Additional Insured"). The Additional Insured coverage under the Consultant's general liability policy shall be "primary and non-contributory" and Consultant's coverage will not seek contribution from the City's insurance or self-insurance and shall be at least as broad as CG 20 01 04 13.
- i. It shall be a requirement under this Agreement that any available insurance proceeds broader than or in excess of the specified minimum insurance coverage requirements and/or limits shall be available to the Additional Insured. Furthermore, the requirements for coverage and limits shall be (1) the minimum coverage and limits specified in this Agreement; or (2) the broader coverage and maximum limits of coverage of any insurance policy or proceeds available to the name insured; whichever greater.
- j. The Consultant shall provide the City with a 30-day written notice of any reduction or cancellation of such insurance required to be furnished by the Consultant and include a severability of interest clause acceptable to the City and if requested by the City.
- k. If an Umbrella or Excess Policy is used to satisfy the requirements, an endorsement must be provided from the insurance carrier/broker and that Umbrella/Excess Policy 'follows form' or is 'continuous' to the General liability and/ Auto liability policy in addition to the required endorsement.
- l. Examples of City approved insurance forms are included in this PSA package. If the Consultant's insurance carrier chooses to use forms other than the City's approved forms, such forms shall be subject to the approval of the City. If the Consultant provides policy pages instead of an endorsement the insurance agent/broker will be asked to sign, initial and date all applicable sections of the policy that meet the City's insurance requirements.
- m. All self-insured retentions (SIR) must be disclosed to City for approval and shall not reduce the limits of liability. Policies containing any self-insured retention (SIR) provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or the City. The City reserves the right to obtain a full certified copy of any insurance policy and endorsements. Failure to exercise this right shall not constitute a waiver of right exercise later.
- n. Subcontractors
 - i. Consultant agrees to include with all subcontractors in their subcontract the same requirements and provisions of this contract including the indemnity and insurance requirements to the extent they apply to the scope of the Subcontractor's work. Consultant shall require all sub-contractors to provide a valid certificate of insurance and the required endorsements included in the Contract prior to commencement of any work and Consultant will provide proof of compliance, upon request, to the City.
 - ii. Any Subconsultant hired by the Consultant agrees to be bound to the Consultant and the City in the same manner and to the same extent as Consultant is bound to the City under the Contract. Subconsultant further agrees to include the same requirements and provisions of this Contract, including the indemnity and insurance requirements, with any

Upon receipt of such notice, Consultant may continue performance of the Services through the date of termination. City, however, may condition payment of such compensation upon Consultant delivering to City any and all documents provided to or prepared by Consultant, and any and all documents provided to or prepared by City for Consultant, in connection with this Agreement. Such material may consist of photographs, computer software, video and audio tapes and other materials.
