Pursuant to the State CEQA Guidelines (14 Cal Code Regs 15000 *et seq.*) (the "Guidelines"), the Oversight Board has determined that the approval of the LRPMP is not a project pursuant to CEQA and is exempt therefrom because it is an organizational or administrative activity of government that will not result in direct or indirect physical changes in the environment (Guidelines Section 15378(b)(5)). Further, it can be seen with certainty that there is no possibility that approval of the LRPMP may have a significant effect on the environment, and thus the action is exempt from CEQA (Guidelines Section 15061(b)(3)). Staff of the Successor Agency is hereby directed to prepare and post a notice of exemption pursuant to Guidelines Section 15062.

EXHIBIT B

Property Description The property was acquired on December 17, 1993. It appears the property was acquired to develop housing for families of moderate income. The proposal that went to the Planning Commission included a project that consisted of six condominium units. The project was never built. The property currently consists of vacant land.

Address: 627 Healdsburg Ave.
APN: 002-093-007
Acquisition Date: December 17, 1993
Purchase Price: \$159,000
Lot Size: .53 acres
Zoning: Office, Residential, Multi-Family (ORM)

Estimated Current Value: Unknown
Lease Value: The property is currently a vacant lot with no structures. There are no lease or rental agreements in place.
Environmental Studies: A soils analysis was completed in September of 1992.

Potential for transit-oriented development: The property is not suited for transit oriented development.

Previous Development Proposals: In 1993 there was a proposal to develop 6 condominiums at 627 Healdsburg Ave. The City Council approved the project with a number of conditions. There was a condition that the tentative map would expire after 24 months of Council Action. The development never occurred and the map expired. In 1998 the City considered a proposal from Burbank Housing for the development of 6 units of affordable "for sale" housing. There was a development agreement that was entered into with Burbank Housing. The Development Agreement with Burbank housing was terminated in June of 2000. There are no other formal proposals staff is aware of.

Intended disposition of property: Government Purpose - The property abuts up against the City of Healdsburg's fire station. There have been discussions to incorporate the property into the fire station for training purposes. The development potential is limited due to the odd lot configuration. If the Fire Department cannot utilize the property, the property would be sold.
