

Residential Weatherization Rebate Application

Please complete both pages of this form and sign. All information is required to process rebate(s).

Program Eligibility

To qualify for window shade screen, window film, and roof radiant barrier rebates, residence must have permanently installed central air conditioning. To qualify for all other weatherization rebates, residence must have permanently installed central air conditioning **OR** electric heat capable of heating the entire dwelling. Weatherization rebates apply to upgrades on existing homes only. New construction does not qualify. Rebates will be paid only on work that meets City of Healdsburg program specifications. For questions regarding specifications, call 707-431-3122.

City Building Permits

Energy efficiency projects may require City building permits; please check with the City of Healdsburg Building Department at 707-431-3346 prior to beginning work.

Weatherization Rebates & Qualification Requirements			
Type	Pre-Condition	Post-Condition	Rebate
Ceiling/Attic Insulation	R-0	Minimum R-38	\$0.65 per sq ft
	Greater than R-19	Minimum R-38	\$0.35 per sq ft
Wall Insulation	R-0	Minimum R-13	\$0.75 per sq ft
Window Films		0.50 SHGC or lower	\$0.75 per sq ft
Replacement Windows		U-Factor 0.35 or lower & SHGC 0.40 or lower	\$1.50 per sq ft
Blower Door Guided Air Sealing	Air leakage test required before and after sealing See Air Sealing Installation Certificate		\$50.00 per Home
Duct Insulation AND Duct Sealing	R-0	Minimum R-8	\$250.00 per Home
		See Duct Sealing Installation Certificate	
Duct Sealing Only		See Duct Sealing Installation Certificate	\$250.00 per System
Roof Radiant Barrier		Radiant heat rejection rating of 95% or greater	\$0.35 per sq ft
Cool Roof		Solar Reflectance ≥ 0.78 for roofs ≤ 2:12 pitch; Solar Reflectance ≥ 0.29 for roofs > 2:12 pitch; Thermal Emittance ≥ 0.75 for all roofs.	\$0.20 per sq ft

Self Installed Contractor Installed

- ◆ Rebates will not exceed 100% of installed cost.
- ◆ Rebates for self-installed measures will not exceed 100% of the cost of materials.
- ◆ Rebate applications must be submitted within twelve (12) months of installation to qualify.
- ◆ Allow 8–10 weeks for processing.

Upon signing this agreement, customer acknowledges the following:

City of Healdsburg (City) reserves the right to inspect completed work and installed measures. Rebates will be paid only on work that meets City specifications. Customer certifies that they are familiar with, and agree to, the standards regarding this program. City disclaims any warranty, whether expressed or implied, for any materials or labor associated with installation, maintenance, repair, or any energy savings associated with the measures. City will not accept any liability resulting from participation in this program. This rebate offer may be changed or discontinued at any time by City.

I understand the above and certify that I am a customer of City and that the eligible energy efficiency measures were installed at the location indicated on this application.
