UPON SIGNING THIS AGREEMENT, CUSTOMER ACKNOWLEDGES THE FOLLOWING:

City of Healdsburg (City) reserves the right to inspect completed work and installed measures. Rebates will be paid only on work that meets City specifications. Customer certifies that they are familiar with, and agree to, the standards regarding this program. City disclaims any warranty, whether expressed or implied, for any materials or labor associated with installation, maintenance, repair, or any energy savings associated with the measures. City will not accept any liability resulting from participation in this program. This rebate offer may be changed or discontinued at any time by City.

I understand the above and certify that I am a customer of City and that the eligible energy efficiency & water efficiency measures were installed at the location indicated on this application.

CUSTOMER SIGNATURE _____ DATE _____

Mail original completed rebate application, copies of all invoices/receipts, and any additional applicable qualification information to:

City of Healdsburg
Attn: Conservation Programs
401 Grove Street
Healdsburg, CA 95448-4723

Rebate applications must be submitted within twelve (12) months of purchase to qualify. Allow 8-10 weeks for processing. Call **707-431-3122** to learn about additional energy & water efficiency conservation programs.

ADDITIONAL REBATE INFORMATION

CLOTHES WASHER:

- ENERGY STAR appliances use about 25% less energy and 33% less water than regular washers. Visit <https://www.energystar.gov/most-efficient/me-certified-clothes-washers/> for a list of qualifying appliances.
- The City of Healdsburg only provides energy and water rebates for front loading clothes washers listed as ENERGY STAR Most Efficient.
- Top load models and model with Sliver Ion technology are not eligible for the rebate.

GREYWATER:

- Currently, only laundry-to-landscape systems are eligible for rebates through the City's program.

IRRIGATION SYSTEMS:

- Program requires itemized receipt identifying the cost of materials.
- Customers can receive \$100 per eligible irrigation system upgrade and up to \$400 rebate per meter.
- Eligible upgrades: pressure regulating equipment, conversion to drip system, check valves, rain/flow sensors, irrigation sub-meter and weather-based and moisture sensing controllers (must be *Water Sense Labeled*)
