Pay Rebate to (if paid to contractor, quote & final invoice must account for rebate):							

Program Guidelines & Requirements (please *initial* each item to acknowledge understanding):

- _____ Rebates will not exceed 75% of installed cost
- _____ Project must be pre-approved to receive rebate
- _____ Before project approval, the following items must be submitted to and approved by the Healdsburg Electric Department: completed rebate form; live energy savings calculator; project description; project quote; specification sheet(s) for proposed equipment
- _____ Pre- and post-installation inspections are required
- _____ Final invoice(s) to confirm installed equipment and total cost will be required upon project completion

Upon signing this agreement, customer acknowledges the following:

City of Healdsburg (City) reserves the right to inspect completed work and installed measures. Rebates will be paid only on work that meets City specifications. Customer certifies that they are familiar with, and agree to, the standards regarding this program. City disclaims any warranty, whether expressed or implied, for any materials or labor associated with installation, maintenance, repair, or any energy savings associated with the measures. City will not accept any liability resulting from participation in this program. This rebate offer may be changed or discontinued at any time by City.

I understand the above and certify that I am a customer of City and that the eligible energy efficiency measures will be installed at the location indicated on this application.
