

AIRPORT PERIMETER FENCING AND GATES PROJECT

City Council Meeting

October 1, 2018

Recommended Action

- Adopt a resolution conditionally awarding the bid to Pisor Fence Division, Inc. of Citrus Heights, California in the amount of \$179,399.00, contingent upon the FAA approval of the project bid and funding; authorizing the City Manager to execute the Project contract and make and execute grant revisions as required by the FAA, and authorizing the City Engineer to negotiate and approve contract change orders up to 10% of the bid amount.

Background₁

- The Healdsburg Municipal Airport (Airport) is a Federal Aviation Administration (FAA) sponsored airport
- The City receives funds annually from the FAA for qualifying Airport maintenance and improvements.
- The current project consists of installing approximately 1900 linear feet of chain link fencing and gates along the eastern and western perimeters of the Airport to increase safety and security to be in compliance with FAA requirements

Discussion / Analysis

- The lowest apparent and responsive bid was from Pisor Fence Division, Inc. of Citrus Heights, California in the amount of \$179,399.00
- The other bids received ranged from the apparent second low bid of \$226,130.00 to a high bid of \$381,200.00
- Pisor Fence Division, Inc. possesses the required license(s) and is otherwise qualified to perform the Project.

Fiscal Impacts

- Funding is by a FAA 90% reimbursement grant with the City providing the required matching funds of approximately 10% via the Airport Fund
- The Project is included in the adopted 2018-23 five-year CIP under the 2018-19 fiscal year appropriations.
- The recommended construction budget is \$197,338.90 which will cover: the construction contract and a 10% contingency for unforeseen conditions.
- Funding in excess of the budgeted \$180,000, upon approval of the FAA, would be provided 90% by FAA grant funds and 10% via the Airport Fund.

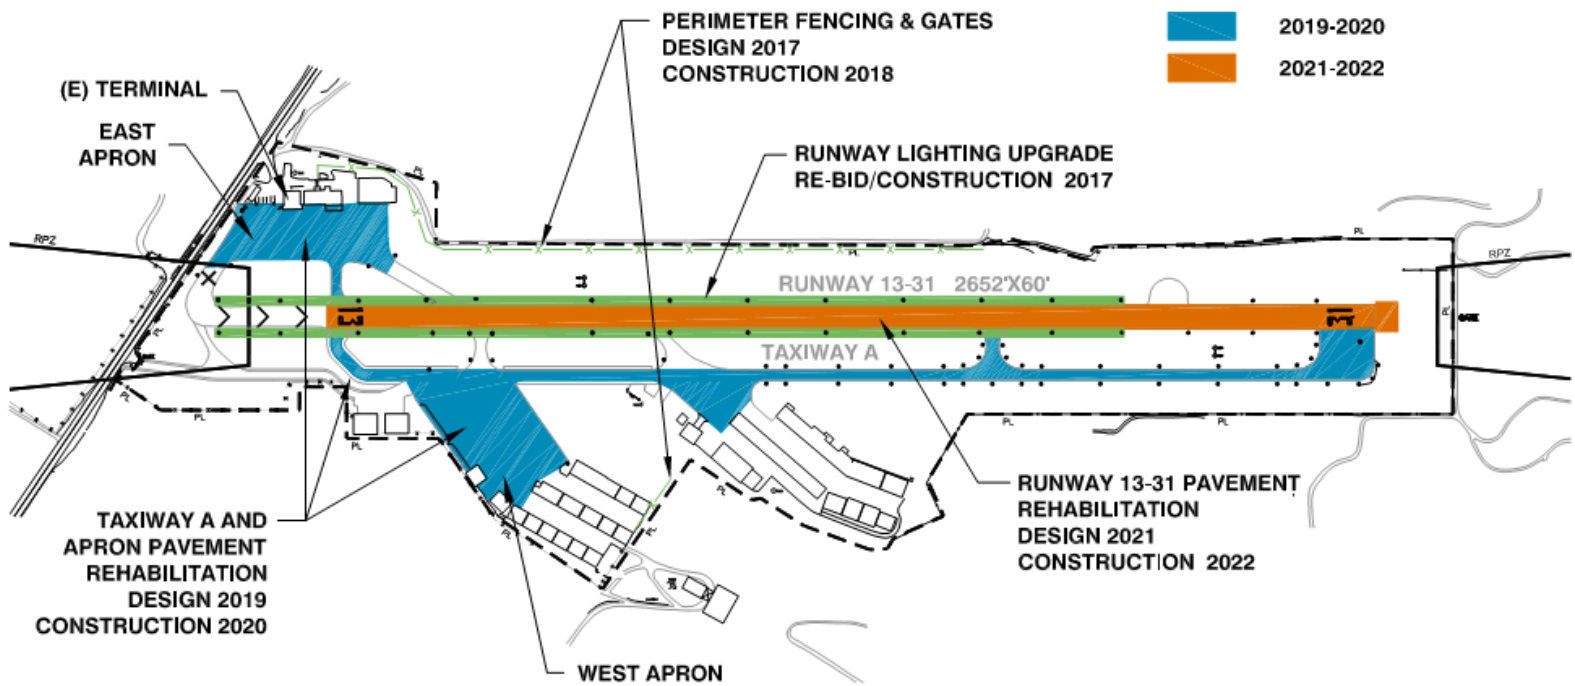

Recommended Action

- Adopt a resolution conditionally awarding the bid to Pisor Fence Division, Inc. of Citrus Heights, California in the amount of \$179,399.00, contingent upon the FAA approval of the project bid and funding; authorizing the City Manager to execute the Project contract and make and execute grant revisions as required by the FAA, and authorizing the City Engineer to negotiate and approve contract change orders up to 10% of the bid amount
